RE: ADDENDUM NO. 1 TO REQUEST
FOR PROPOSALS (RFP) PACKAGE

ANC Vertical Infrastructure
Earthquake Repairs Design Services
RFP No. 25212019

EMAIL TO: All RFP recipients on record.

The RFP Package is hereby clarified or changed as follows:

1. The submittal deadline has not changed.
2. QUESTION & ANSWER

Q1: Given that there is no defined scope for an Airport Planner identified in the FEMA Damage Inventory or elsewhere in the RFP and their services are therefore likely unneeded, would it be acceptable to simply name one or more subconsultant firm(s) we are proposing to provide Airport Planning services without providing an individual name, resume, or three references?

A1: See items #3 and #4 below.

3. Reference Request for Proposals Package, Part C, Evaluation Criteria, criterion #8, Proposed Project Staff for Possible Added Services, remove item "3. Land Surveying," and "4. Airport Planning."
4. Reference Request for Proposals Package, Proposed Statement of Services (Appendix B), Paragraph B4.7, remove "B3.12 Land Surveying," and "B3.13 Airport Planning."

All other terms and conditions remain the same.

END OF ADDENDUM

We appreciate your participation in this solicitation.
